

An Unprecedented Moment in Time

Big Brothers Big Sisters of Central Texas has reached a unique moment in time — one made possible by the contributions of those who have come before us, and those who continue to partner with, and invest in, us.

We have

moved into a new facility

launched a number of new programs

- Bigs in Blue
- Big Impact Group
- Big Futures
- Youth Activity Nights

received local and national awards

- 2017 Austin Business Journal Best Place to Work
- BBBS National Gold Standard Award
- BBBS National Agency of the Year - finalist
- BBBS National Board of the Year

our quality metrics are at an all-time high

we have a dynamic professional team in place

We have the staff, the space, and a proven model that works. **Now, we need to grow our financial resources so that we can serve more kids.** We hope that you will join us in meeting this challenge.
