

BOWL FOR KIDS

ANNIVERSARY EDITION

Netflix Watch Parties & Netflix Party Packs

1. PARTIES

At the moment, we can't go to the cinema for a night out with friends, so why not host your own **Netflix Watch Party** instead? Have your friends donate the amount of a regular movie ticket and watch a movie together from the comfort of your own individual living rooms!

Here's a step-by-step guide to creating and hosting your very own **Netflix Watch Party** to benefit BBBS!

Select the movie and invite your friends:

1. Pick the movie, date and time for your Netflix Watch Party
2. Set your donation amount - For a movie night, we suggest a donation of \$20 (or more!) to get involved.
3. Invite all your closest friends and family – (set a target number of people to invite. 10 friends will add at least \$200 to your Bowl For Kids Fundraising Page).
4. Ask participants to make their donation before the movie night - just like they would 'book' their movie ticket.

Before movie night – Get the App:

Everyone will need to have logged in to their Netflix account on their Google Chrome browser and downloaded the Netflix Party Google Chrome extension.

Here's how:

1. Use your Google Chrome browser.
2. Click <https://netflixpartyplus.com>
3. You'll be redirected to the Google Chrome web store page to download the extension. Click Add to Chrome.
4. A pop-up box will open. Select Add Extension. You'll now see a grey NP icon in your browser toolbar.

Now that you've got the extension downloaded, you can begin watching shows and movies with your friends and family.

On Movie Night:

1. Open a new tab in your Google Chrome browser and log in to Netflix.
2. Find the show or movie you're planning to watch and click on it.
3. You'll now see that the NP (Netflix Party) icon has changed from grey to red. Click the icon and select Start The Party. You'll become the host, so you can either select the option to be the only controller pausing and playing the show, or you can let anyone take control.
4. Copy the URL from the pop-up box and send it to everyone you want to invite to watch the show.
5. The chatroom will appear on the right side of the screen. There, you'll be able to see when someone joins the party.
6. Play the movie!
7. Now you can laugh, cry and howl with your family and friends, while making a difference for kids in our community! The only thing that would make the evening better, is a Netflix Party Pack!
